Rainbow Slide: A Letter Sorting Game

Preparation

Print the templates
Cut out the letter coins

Set Up

Choose how you wish students to sort the letters. See ideas below:
Decide which letters you will need for the sort and put others aside.

To Play

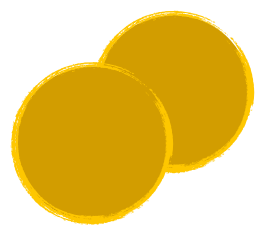

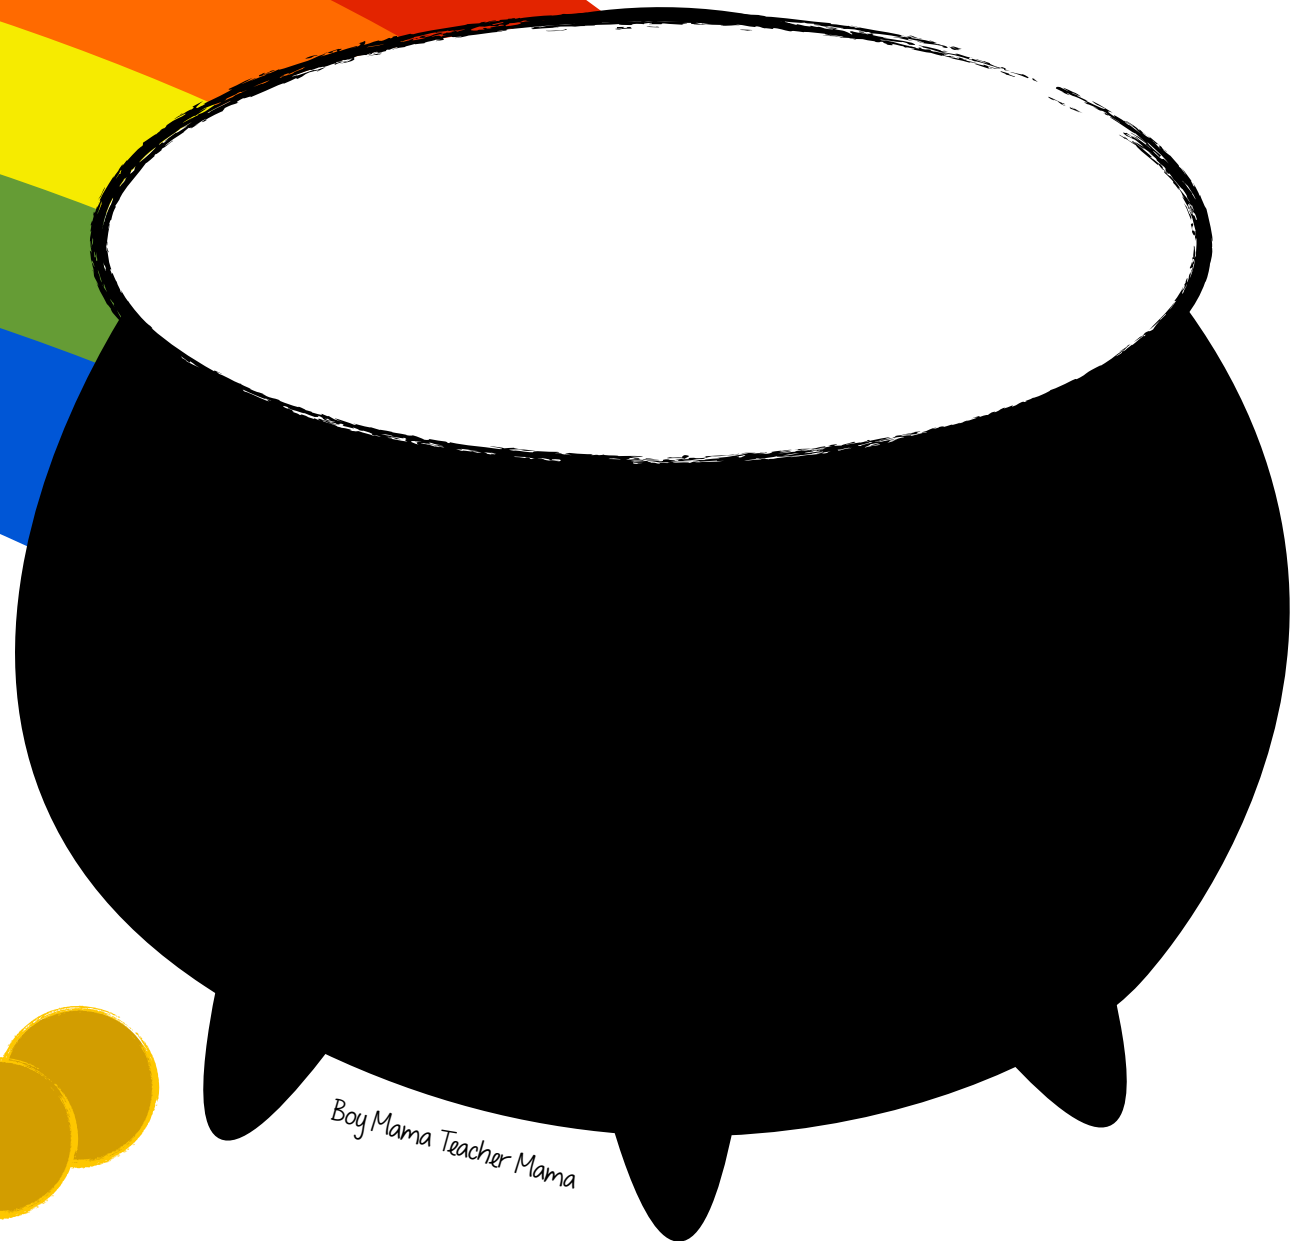

Explain to the group how they will be sorting the letters.
The first student chooses a letter to begin, decides if that letter fits the sort.
If it does, students slides the letter down the rainbow into the pot of gold, if not, the letter is discarded.
Continue until all letters have been sorted.

Sorting Ideas

capitals/lower case
vowels/consonants
tall letters/short letters/hangdown letters
letters with lines/letters with circles
letters with curvy lines/straight lines
Letters with dots/letters with crosses
letters you recognize/letters you don't
letters you know the sounds for/those you don't
